

APPLICANT WISH LIST

(Optional) Your “**wish list**” of items or services that your organization is seeking. This information will not be considered in your grant application, but will be circulated to our membership at a later date in the event that your organization does not receive a grant. (Please remember, big or small items are fine, but the more affordable your wish is, the more likely it is to be fulfilled).

ORGANIZATION: Ecosystem Restoration Support Organization, Inc. (ERSO)

Binocular Viewer’s (for landside observation into the Project-Pensacola Bay):

(6) Mark II Binocular Viewers with standard or ADA base \$2100 each + S&H

Binoculars for bird watching during educational shoreline activities for local school children – we would like to have several pairs to be passed around to the kids while our bird expert talks about the birds seen at the project site. Price ~ \$100.00 each

Field Guides for PGS educational activities:

All the Birds of North America by Jack Griggs (Amazon.com \$13.57)

The Sibley’s Guide to Birds by David Allen Sibley (Amazon.com \$27.10)

Fishes of the Gulf of Mexico: Texas, Louisiana, and Adjacent Waters (W.L. Moody, Jr., Natural History Series, No 22) by H. Dickson Hoese and Richard H. Moore (Amazon.com \$17.12)

Coconut fiber matting for seagrass propagation: www.rolanka.com

39” x 50’ coco liner #453 - \$140.00 each.

5 gallon buckets for oyster reef restoration: no limit to number we could use. May be food-grade quality and/or other. Used to carry/collect oyster shells.
